Hi Mike,

Please find the missing NNSS nominations attached. They were not included in the initial grouping to you as these 5 were submitted with "EM" as the program office.

If you have any additional questions, feel free to contact us.

Hi Kristina,

I seem to be missing 5 nominations that were submitted from the Nevada National Security Site (NNSS). Can you look in your database and see if you have them and forward them to me to add to the NNSA stack of nominations. Thanks.

Hi Kristina,

Thanks for sending the attached NNSA awards nomination file to our office. In the attached .zip file I am not able to open Submission # 128 and # 140, could you send them again, separately if possible. Thanks.

Hi Jessica,

As in the past, attached are all of the nominations that were submitted by your sites as they applied for the 2013 DOE Sustainability Awards. The award categories are described in the DOE 2013 Sustainability Awards Information PDF, also attached.

Please review the nominations and let us know which ones you would like for us to send forward to an independent panel of judges who will recommend the Sustainability award winners.

Please submit the titles of your selections to Paul Estabrooks ([Paul.Estabrooks@hq.doe.gov](mailto:Paul.Estabrooks@hq.doe.gov)) and Tina Wheeler ([Kristina.Wheeler@hq.doe.gov](mailto:Kristina.Wheeler@hq.doe.gov)) by COB Friday, July 12, 2013.

If you have any questions or would like additional information, feel free to contact us.

Thanks,  
Tina
